

## GATE OF HOME.

O.A. Parris

John H. and Henry M. Deason

1. As on life's rug-ged path I roam, Bound for e - ter - ni - ty; Far o - ver yon - der thru the gloam, The gate of home I see.

O will that gate swing

2. O have I waged the fight with sin, And gained the vic - to - ry? Have I been faith - ful to my Lord? And will He wel - come me?

O will that gate swing

O will that gate swing o - pen wide? And will my friends be there? For - ev - er more to dwell in - side, All free from sin and care.

o - pen wide? And will my friends be there? And will my friends be there? For - ev - er more to dwell in - side, All free from sin and care.

O will that gate swing o - pen wide? And will my friends be there? For - ev - er more to dwell in - side, All free from sin and care.

o - pen wide? And will my friends be there? For - ev - er more to dwell in - side, All free from sin and care, All free from sin and care.
