

## MIGHTY LOVE. C.M.D.

G.W. Treadway

William Cole

1. What won-drous might-y work is this, Un-fold-ed by our Lord? It gives our souls a taste of bliss To read His Ho-ly Word.

2. We have re-ceived by this bright theme A hope of last-ing life, Be-yond the shores of death's dark stream, Be-yond this world of strife.

3. Thus from the realms of grace di-vine Did Je-sus come to die; As God is love, let it com-bine To aid us home on high.

'Twas born in heav'n's im-mor-tal bow'rs In God's high courts a-bove, It gives us strength in lone-ly hours And is the work of love.

'Tis far be-yond the stars and sun, That bliss-ful heav'n a-bove, There we can dwell when time is done, By serv-ing God in love.

O'er all our race may it pre-vail, As it pre-vails a-bove; And they at death will not be-wail, For they have lived in love.
