

JORDAN'S STORMY WAVE.

J.C.W.

Rev. J.C. Wisener

1. Just o-ver Jor-dan's storm-y wave, The Lord, a home, to Is-re'l gave; A land where milk and hon-ey would flow, A place for all His cho-sen to go.

2. The Lord was with them all the way, Tho man-y times they went a-stray, They of-ten had their trou-bles and fear, But God was al-ways read-y to hear.

3. A cloud by day and fire by night, To show the way and give them light; Pro-tect-ed them when in their de-spair, And helped them man-y bur-dens to bear.

My friend, if you would come and go, You'll have to fight your bat-tles be-low; But God will give you grace to fight, And He will make it all come right.

My friend, if you would come and go, You'll have to fight your bat-tles be-low; But God will give you grace to fight, And He will make it all come right.
